The New City Catechism

Re-Cap question 21: What sort of Redeemer is needed to bring us back to God?

Answer: One who is truly human and truly God.

Question 22: Why must the Redeemer be truly human?

Answer: That in human nature he might on our behalf perfectly obey the whole law and suffer the punishment for human sin; and also that he might sympathize with our weaknesses.

Scripture:

“Therefore he had to be made like his brothers in every respect, so that he might become a merciful and faithful high priest in the service of God, to make propitiation for the sins of the people.” Hebrews 2:17
